

Organizational Membership

2018-19 Levels and Benefits

Seattle CityClub’s organizational members include companies, nonprofits, associations and other organizations that share our desire to improve the civic health of our region. Annual membership dues support our work to build bridges among residents, leaders, communities and government, and provide people with the tools and inspiration to make a difference. Our current members are listed on page 2.

Dues for new members who join off-cycle may be pro-rated for the first year, at your request. Organizational membership benefits cover all employees.

	Premier Membership <i>\$2,000/annually</i> <i>\$1,000/non-profit</i>	Sustaining Membership <i>\$800/annually</i> <i>\$250/non-profit</i>
